IV. The Sons After The Division

After the Flood ended

Japheth

journeyed north

He was a mighty strategist of the Cold,

father of the northern hosts,

whose wisdom of men would rise and flourish,

where cleverness struck the mammoths and wolves,

he sought the ark’s architecture

but not the architect

Ham journeyed westward

He became builder of walls

and gatherer of gold,

He spread his fences wider,

measuring land with pride.

While Canaan

became a prophet of Chaos

a pilgrim of Corruption

His son

Nimrod

was born

the mighty hunter of Canaan

who rose with bow in hand,

plucking men from their tribes,

smearing cave art upon the stone,

and founding the early city

of Babylon,

built upon the memory of conquest.

And Shem

journeyed eastward,

carrying the name of God in silence,

living simply

raising altars where rivers met,

leaving the earth the way it was

and teaching sons to remember.

how his father

Noah

walked with the lord

———

But in the days of Peleg,

the tremors ceased;

the earth had been divided.

it finally rested

and had become

the Seven Mighty Continents of the world

The Three Sons of Noah,

scattered through time,

their families after them

the children of Japheth,

Ham,

Canaan

and even the sons of Shem

united once again

Genesis 11:1-4

"The whole earth was of one language

and of one speech.

As they traveled east,

they found a plain in the land of Shinar,

and they lived there.

They said to one another,

"Come,

let's make bricks,

and burn them thoroughly.”

They had brick for stone,

and they used tar for mortar.

They said, “Come,

let’s build ourselves a city,

and a tower

whose top reaches to the sky,

and let’s make a name for ourselves,

lest we be scattered abroad

on the surface of the whole earth.””
